WHY ADVANTAGE+?

We Understand Business

We take a common sense approach to understanding each customer's individual financing needs, thus most transactions develop into long-term relationships.

We Retain Our Portfolio

Advantage+ is one of the few direct lenders that retains all of their loans in their own portfolio. This means we can structure leases/loans to fit your business, combine equipment from multiple vendors, offer seasonal payment plans, finance 100% of new or used equipment, and even include most soft costs.

We Offer A Custom Approach

Most lenders try to computerize all aspects of customer contact. We not only use state-of-the-art systems, but we also take the time to learn about *your* business for a customized experience. You are more than a number at Advantage+.

We Too Are A Small Business

We believe that small business is "what makes the economy go." Our goal is to help small businesses grow and succeed.

Our mission is to provide the best equipment financing services to small business.

OUR QUICK & EASY FINANCING PROCESS

- 1. Select the equipment you need from your vendor.
- Submit the application via fax, email or the Advantage+ secure website: www.advantageplusfinancing.com
- 3. Your Advantage+ representative will call to "meet" you, discuss financing details and answer questions. Underwriting is usually completed the same day.
- 4. Once approved, Advantage+ will contact you and issue a "Commitment to Finance."
- Upon your acceptance of the Commitment, Advantage+ will issue (fax/email) the loan documents.
- Return original signed documents as directed. Once received, Advantage+ will issue a Purchase and Delivery Notice to the vendor/supplier letting them know that we are financing your purchase.
